

PIXEL EATER

A horizontal game scene with a dark background. A yellow Pac-Man-like character is on the left, facing right. It is surrounded by several small white dots. To its right are two red cherries and a slice of watermelon. Further right are more small white dots.

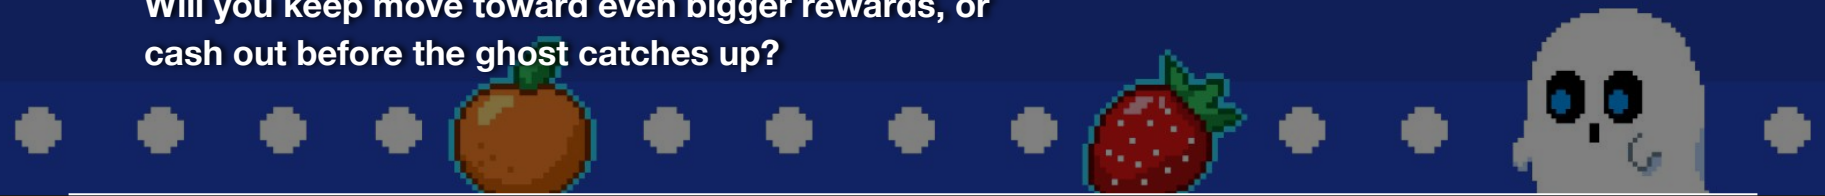

Pixel Eater : Adventure with juicy fruits and sneaky surprises!

Guide the Golden little ball forward, gobble up sweet fruits and watch your treasure grow with every bite.

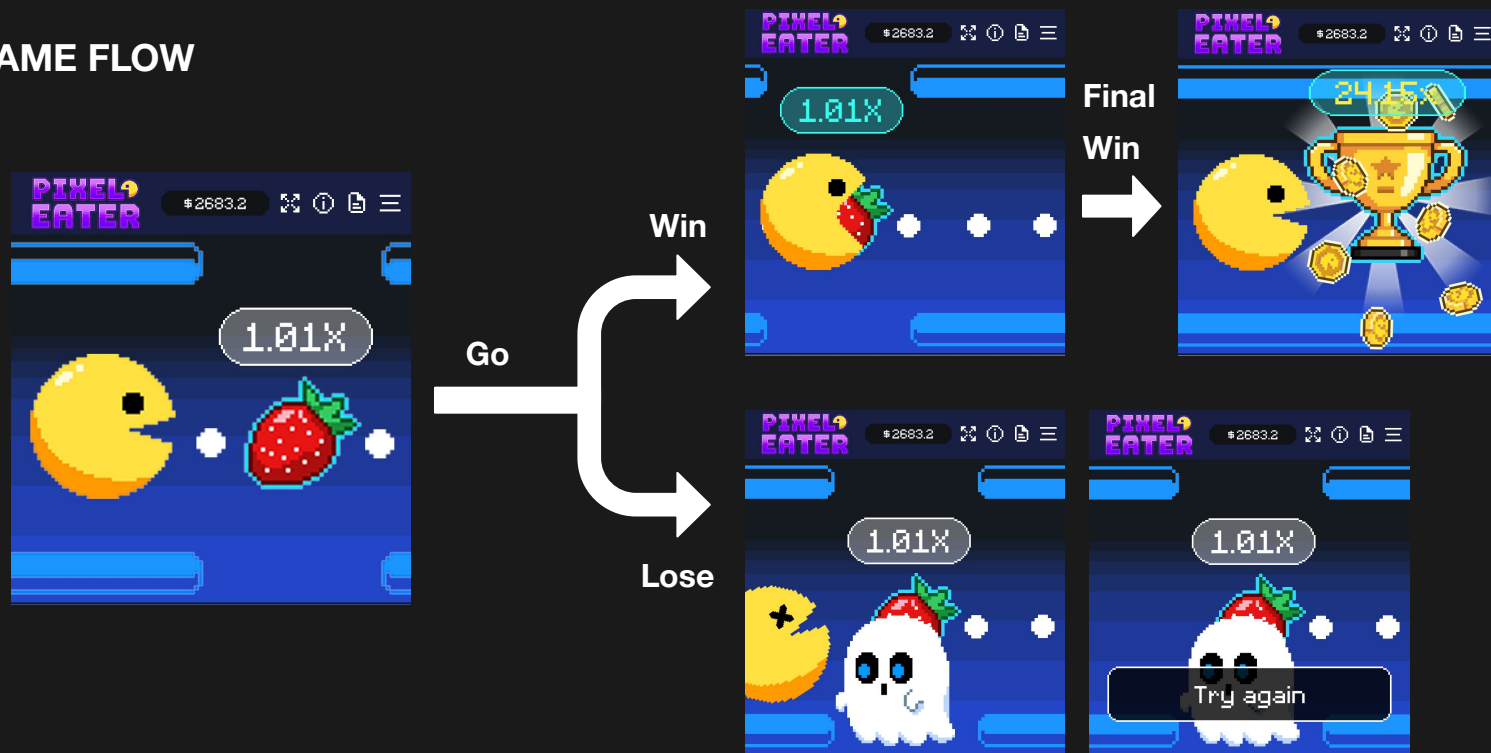

Beware of the mischievous ghost who lurks around every corner, one unexpected scare could send you tumbling back to the start, dropping all the goodies you've collected.

PIXEL EATER

Will you keep move toward even bigger rewards, or cash out before the ghost catches up?

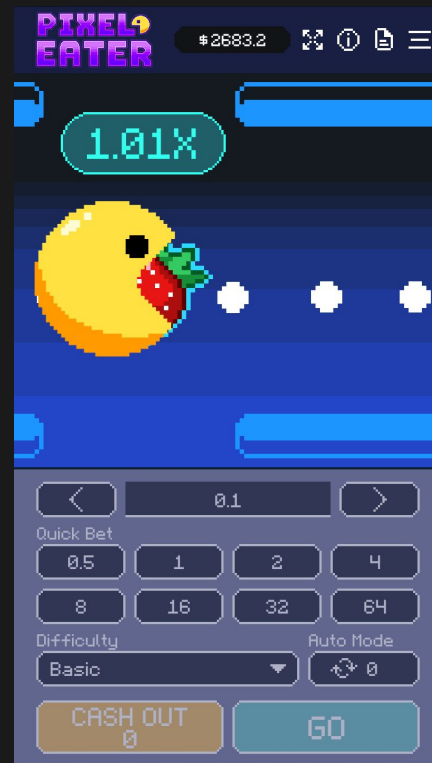

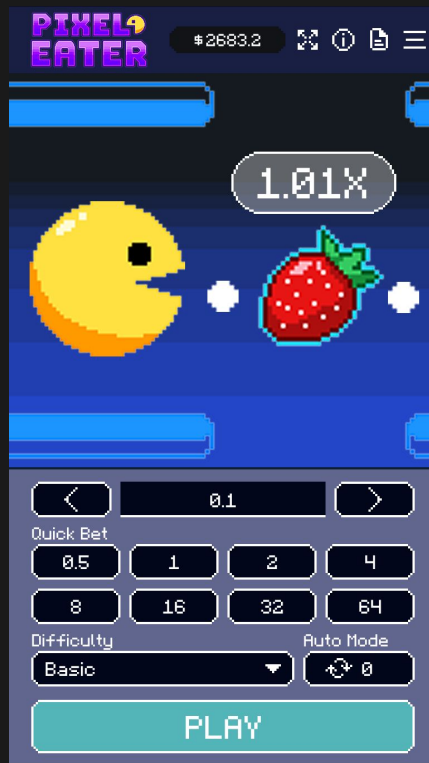

GAME FLOW

HOW TO PLAY

1. Player chooses their bet, and tap PLAY to start with the select bet. Player can't change their bet after the round start.
2. Tap GO to make the little golden ball move forward and eat the prized fruits.
3. Tap CASH OUT to end immediately and take accumulated winnings.

HOW TO PLAY

- Each move has a chance that a mischievous ghost may appear and scares off the little golden ball. If it happens, the round ends and player lose all the accumulated winnings.
- If player reach the goal and get the Grand Trophy, the game settles automatically and player receive the highest reward.
