

The background of the title screen is a vibrant, cartoon-style illustration of a traditional East Asian landscape. It features a red wooden bridge in the foreground, a large pavilion with a blue tiled roof on the right, and rolling green mountains under a blue sky with white clouds. Two white Mahjong tiles are positioned on either side of the title: the left one has a red character, and the right one has a green character. The title itself is 'MAHJONG MASTER 2', with 'MAHJONG' in yellow, 'MASTER' in yellow, and '2' in red. A circular gold coin with a red and blue design is placed between 'MAHJONG' and 'MASTER'.

Become a Mahjong Master and enjoy a thrilling 6x6 cascading reel experience. Winning symbols are removed and replaced by new ones, creating exciting chain reactions and more opportunities to score consecutive "Hu" wins.

When all cascades end, collecting 5 or more Hu symbols on the board will trigger the Free Games feature, unlocking even greater rewards and winning potential.

Rare Golden Mahjong Symbols may also appear during gameplay. When involved in a winning combination, these symbols do not disappear. Instead, they transform into Wild symbols and remain on the board, helping create additional winning combinations.

During Free Games, collecting 4 or more Hu symbols awards extra free spins, extending the feature and giving players even more chances to chase big wins and rewarding payouts.
